NOTICE OF ANNUAL MEETING OF UNITHOLDERS

NOTICE IS HEREBY GIVEN that the annual meeting (the “**Meeting**”) of the holders (“**Unitholders**”) of trust units and special voting units (collectively, the “**Voting Units**”) of True North Commercial Real Estate Investment Trust (the “**REIT**”) will be held virtually via live audio webcast available online using <https://virtual-meetings.tsxtrust.com/1617> on Monday, June 17, 2024 at 4:30 p.m. (Toronto time) for the following purposes:

- (a) to receive the audited consolidated annual financial statements of the REIT as at and for the year ended December 31, 2023 and the auditor’s report thereon;
- (b) to elect trustees of the REIT for the ensuing year;
- (c) to re-appoint the auditor of the REIT for the ensuing year and to authorize the board of trustees (the “**Board**”) to fix such auditor’s remuneration;
- (d) to transact such other business as may properly come before the Meeting or any adjournment or postponement thereof.

The Circular provides additional information relating to voting and the matters to be dealt with at the Meeting and forms part of this Notice. The Board has fixed May 3, 2024 as the record date for determining those Unitholders entitled to receive notice of and vote at the Meeting.

The Meeting will be held in a virtual only format which will be conducted via live audio webcast available online using <https://virtual-meetings.tsxtrust.com/1617>. On this website, Unitholders will be able to participate in the Meeting, submit questions and vote their Voting Units while the Meeting is being held. We trust that hosting a virtual meeting will enable greater Unitholder participation by allowing Unitholders that might not otherwise be able to travel to a physical meeting to attend online.

In connection with the Meeting, the REIT will be using the Canadian Securities Administrators’ “notice-and-access” delivery method which allows the REIT to furnish the Circular and accompanying materials to Unitholders via the Internet, thereby resulting in lower administrative costs and a reduction in the environmental impact of the Meeting.

On or about May 16, 2024, the REIT intends to mail to Unitholders of record as of May 3, 2024, a notice with information about the notice-and-access process and voting instructions, as well as a proxy or voting instruction form containing instructions on how to access the Circular and accompanying materials. Pursuant to the notice-and-access delivery method, Unitholders will receive a proxy or voting instruction form enabling them to vote at the Meeting. However, instead of receiving a paper copy of the Circular, Unitholders will be provided with information on how to access the Circular electronically. **UNITHOLDERS ARE REMINDED TO REVIEW THE CIRCULAR PRIOR TO VOTING.** Unitholders with questions about notice-and-access may contact TSX Trust Company by telephone toll free at 1-866-600-5869 or by email at tsxtis@tmx.com. The Circular and any additional materials can be viewed online on the REIT’s website at www.truenorthreit.com/investor-relations/meeting or under the REIT’s SEDAR+ profile at www.sedarplus.ca. Please note if you request a paper copy of the Circular, you will not receive an additional proxy or voting instruction form, so Unitholders should retain the original forms to facilitate voting.

Registered Unitholders (for example, you hold a paper unit certificate(s) and your name appears directly on the unit certificate(s)) and duly appointed proxyholders will be able to attend, submit questions and vote at the Meeting online at <https://virtual-meetings.tsxtrust.com/1617>. If you are a registered Unitholder, whether or not you plan to virtually attend the Meeting, you are requested to complete, sign, date and return to TSX Trust Company, the transfer agent and registrar of the Voting Units, the enclosed form of proxy. To be valid, proxies must be deposited with TSX Trust Company, 301 – 100 Adelaide Street West, Toronto, ON M5H 4H1 or by facsimile at 416-595-9593 by 4:30 p.m. (Toronto time) on June 13, 2024, being the second last business day preceding the date of the Meeting, and any instruments appointing proxies to be used at any adjournment or postponement of the Meeting must be so deposited at least 48 hours (excluding Saturdays, Sundays and holidays) prior to the time set for such adjournment or postponement of the Meeting. The deadline for the deposit of proxies may be waived or extended by the Chair of the Meeting at his or her discretion, without notice.

Non-registered Unitholders (or Beneficial Unitholders) (for example, if you hold your Voting Units in an account with a broker, dealer or other intermediary), whether or not you plan to attend the Meeting, you should complete and send the form of proxy or voting instruction form, as applicable, in accordance with the instructions provided by your broker or intermediary. These instructions include the additional step of registering proxyholders with TSX Trust Company, the transfer agent and registrar of the Voting Units, after submitting your form of proxy or voting instruction form. Failure to register the proxyholder with our transfer agent will result in the proxyholder not receiving a “Control Number” or username to participate in the Meeting and only being able to attend as a guest. Non-registered Unitholders who have not duly appointed themselves as proxyholder will be able to attend the Meeting as guests but will not be able to vote or submit questions at the Meeting. Please refer to the voting instructions provided in the “Voting Information for Non-Registered Unitholders” section of the accompanying Circular and call your broker, dealer or other intermediary for information on how you can vote your Voting Units.

The Board has fixed May 3, 2024 as the record date for the determination of Unitholders entitled to receive notice of and vote at the Meeting. Any Unitholder that has acquired Voting Units after the record date will not be entitled to receive notice of or vote those Voting Units at the Meeting.

Dated at Toronto, Ontario, this 10th day of May, 2024.

BY ORDER OF THE TRUSTEES OF TRUE NORTH
COMMERCIAL REAL ESTATE INVESTMENT TRUST

(signed) Daniel Drimmer,
Chairman of the Board and
Chief Executive Officer

TRUE NORTH COMMERCIAL REAL ESTATE INVESTMENT TRUST

MANAGEMENT INFORMATION CIRCULAR

INTRODUCTION

This management information circular (the “Circular”) is furnished in connection with the solicitation of proxies by and on behalf of management of True North Commercial Real Estate Investment Trust (the “REIT”) for use at the annual meeting (the “Meeting”) of the holders (“Unitholders”) of trust units (“Units”) and special voting units (“Special Voting Units”, and collectively with Units the “Voting Units”) of the REIT to be held virtually on June 17, 2024 and any adjournment or postponement thereof for the purposes set forth in the accompanying notice of Meeting (the “Notice”).

NOTICE-AND-ACCESS

The REIT has elected to utilize the Canadian Securities Administrators’ “notice-and-access” delivery model for the distribution of this Circular to Registered Unitholders and Non-Registered Unitholders (each as defined below). Notice-and-access is a set of rules that allows issuers to post electronic versions of proxy-related materials (such as management information circulars and annual financial statements) on line via the SEDAR+ website at www.sedarplus.ca and one other website, rather than mailing paper copies of such materials to Unitholders.

Notice-and-access directly benefits the REIT through a substantial reduction in both postage and printing costs and also promotes environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials.

Copies of proxy-related materials will be distributed to Registered Unitholders and Non-Registered Unitholders on or about May 16, 2024 pursuant to the notice-and-access delivery method, including information about the notice-and-access process, voting instructions, and voting instruction form or proxy form (collectively, the “meeting materials”).

Registered Unitholders and Non-Registered Unitholders with questions about notice-and-access may contact the REIT’s transfer agent, TSX Trust Company, by telephone toll-free at 1-866-600-5869 or by email at tsxtis@tmx.com.

Registered Unitholders and Non-Registered Unitholders may obtain paper copies of the meeting materials by postal delivery at no cost to them. Requests may be made up to one year from the date the Circular is filed on SEDAR+ at www.sedarplus.ca, by calling TSX Trust Company toll free at 1-866-600-5869, or via e-mail at tsxtis@tmx.com. In order to receive the Circular in sufficient time to allow for review and return of the proxy by no later than 4:30 p.m. (Toronto time) on June 13, 2024, a request for paper copies should be made so that it is received by TSX Trust Company no later than the end of business on June 6, 2024.

The meeting materials can be viewed online at <https://truenorthreit.com/investor-relations/meeting> or under the REIT’s SEDAR+ profile at www.sedarplus.ca. Please note that if you request a paper copy of the Circular, you will not receive a new form of proxy or voting instruction form, so you should retain these forms sent to you in order to vote.

MEANING OF CERTAIN REFERENCES

References to dollars or “\$” are to Canadian currency. Unless the context otherwise requires, all references hereinafter in this Circular to the “REIT” refer to True North Commercial Real Estate Investment Trust and its subsidiary entities, including those limited partnerships (the “Partnerships”) formed from time to time to own commercial properties acquired by the REIT, on a consolidated basis.

References to “management” in this Circular include the persons acting in the capacity of the REIT’s Chief Executive Officer (“CEO”) and the President and Chief Financial Officer (“CFO”), who are executive officers of Starlight Group Property Holdings Inc. or its affiliates (collectively, “Starlight”). Any statements in this Circular made by or on behalf of management are made in such persons’ capacities as executive officers of the REIT and not in their personal capacities.

PROXY SOLICITATION AND VOTING

Record Date

The board of trustees of the REIT (the “Trustees” or “Board”) has fixed May 3, 2024 as the record date (the “Record Date”) for the determination of Unitholders entitled to receive notice of and vote at the Meeting. Unitholders of record at the close of business on that date will be entitled to vote at the Meeting. Accordingly, any Unitholder that has acquired Voting Units after the Record Date will not be entitled to receive notice of or vote those Voting Units at the Meeting.

Voting Securities

The Voting Units are the only outstanding securities of the REIT that entitle holders to vote at meetings of Unitholders. Each Voting Unit outstanding on the Record Date is entitled to one vote, with all Voting Units voting together as a single class. Instructions on how Registered and Non-Registered Unitholders may vote their Voting Units are provided below under the headings “Voting Information for Registered Unitholders” and “Voting Information for Non-Registered Unitholders”.

Solicitation of Proxies

The solicitation of proxies for the Meeting will be made primarily by mail, but proxies may also be solicited personally, in writing or by telephone by representatives of the REIT without special compensation. The REIT will bear the cost in respect of the solicitation of proxies for the Meeting and will bear the legal, printing and other costs associated with the preparation of this Circular. The REIT will also pay the fees and costs of intermediaries for their services in transmitting proxy-related material in accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”). This cost is expected to be nominal.

Quorum

The quorum at the Meeting or any adjournment or postponement thereof (other than at an adjournment or postponement for lack of quorum) will be persons present in person or represented by proxy, not being less than two in number, representing in aggregate not less than 10% of the total outstanding number of Voting Units on the Record Date.

ATTENDING THE MEETING

Virtual Only Format

The Meeting will be held in a virtual only format, which will be conducted via live audio webcast available online using <https://virtual-meetings.tsxtrust.com/1617>. Registered Unitholders and duly appointed proxyholders will be able to attend, submit questions and vote at the Meeting. Non-Registered Unitholders who have not duly appointed themselves as proxyholder will be able to attend the Meeting but can only attend as a guest and will not be able to vote or submit questions at the Meeting. Unitholders will also be able to vote prior to the Meeting by completing their Proxy or voting information form (“VIF”), as applicable. We hope that hosting a virtual meeting helps enable greater participation by our Unitholders by allowing Unitholders that might not otherwise be able to travel to a physical meeting to attend online.

The Meeting will be hosted online only by way of a live audio webcast beginning at 4:30 p.m. on Monday, June 17, 2024, and can be accessed online at <https://virtual-meetings.tsxtrust.com/1617>. A summary of the information Unitholders will need to attend the online Meeting is provided below. Registered Unitholders and duly appointed proxyholders will be able to attend, submit questions and vote at the Meeting. Non-Registered Unitholders who have not duly appointed themselves as proxyholder will be able to attend the Meeting but can only attend as a guest and will not be able to vote or submit questions at the Meeting. The Meeting can be accessed as a Unitholder, appointee/proxyholder or a guest by visiting <https://virtual-meetings.tsxtrust.com/1617>.

Please refer to the virtual meeting guide for instructions regarding the registration and participation of Unitholders at the Meeting, including a list of compatible web browsers and contact information for technical support. This guide was enclosed with the meeting materials mailed to registered Unitholders and is also available at www.truenorthreit.com/investor-relations/meeting.

It is recommended that Unitholders and proxyholders submit their questions and comments on any formal matters to be considered during the Meeting as soon as possible after joining the Meeting so they can be addressed at the right time. Submissions may be made in writing by using the relevant dialog box in the function “Ask a question” during the Meeting. Only Registered Unitholders and duly appointed proxyholders may make submissions during the Meeting.

The Chair of the Meeting or members of management present at the Meeting will respond to submissions relating to a matter to be voted on before a vote is held on such matter, if applicable. General questions will be addressed by the Chair of the Meeting and other members of management following the end of the Meeting during the question period.

In order to address as many submissions as possible, Unitholders and proxyholders are asked to be brief and concise and to cover only one topic per submission. Submissions from multiple Unitholders on the same topic or that are otherwise related will be grouped, summarized and addressed together.

All Unitholder submissions are welcome. However, the REIT does not intend to address submissions that are:

- irrelevant to the REIT, its operations or the business of the Meeting;
- related to non-public information;
- derogatory or otherwise offensive;
- repetitive or have already been asked by other Unitholders;
- in furtherance of a Unitholder’s personal or business interests; or
- out of order or not otherwise appropriate as determined by the Chair or Secretary of the Meeting in their reasonable judgement.

For any submissions made but not addressed during the question period following the end of the Meeting, a member of the REIT’s management will attempt to contact such Unitholder to respond to the submission to the extent the Unitholder has provided an email address within their submission. Unitholders may also contact the REIT at ircommercial@truenorthreit.com.

In the event of a technical malfunction or other significant problem that disrupts the Meeting, the Chair of the Meeting may adjourn, recess, or expedite the Meeting, or take such other action as the Chair determines to be appropriate considering the circumstances.

Participation by Registered Unitholders and Duly Appointed Proxyholders

Registered Unitholders that have a 12-digit control number located on their Form of Proxy (as defined below), along with duly appointed proxyholders who were assigned a username by the Transfer Agent (see “Registering a Proxyholder” below), will be able to vote and submit questions during the Meeting. To do so, please go to <https://virtual-meetings.tsxtrust.com/1617> at least 15 minutes prior to the start of the Meeting to login. Click on “I have a control number” and enter your 12-digit control number or username along with the password “truenorth2023” (case sensitive).

If a Unitholder who has submitted a proxy attends the Meeting via webcast, any votes cast by such Unitholder on a ballot will be counted and the submitted proxy will be revoked and disregarded.

It is important that Registered Unitholders and duly appointed proxyholders eligible to vote at the Meeting are connected to the internet at all times during the Meeting in order to vote when balloting commences. It is the responsibility of each Registered Unitholder and duly appointed proxyholder to ensure connectivity for the duration of the Meeting.

Participation by Non-Registered Unitholders

Non-Registered Unitholders who have not appointed themselves as proxyholder to vote at the Meeting but who wish to attend the Meeting virtually will only be able to attend as a guest by going to <https://virtual-meetings.tsxtrust.com/1617> at least 15 minutes prior to the start of the Meeting, clicking on “I am a guest”. Such Non-Registered Unitholders will be able to listen to the Meeting but will not be able to vote or submit questions.

VOTING INFORMATION FOR REGISTERED UNITHOLDERS

A Registered Unitholder (that is, a person who holds Voting Units in his, her or its own name as of the Record Date) may vote at the Meeting or may appoint another person as proxyholder in accordance with the instructions below. Registered Unitholders are requested to vote their Voting Units in advance of the proxy voting deadline of 4:30 p.m. (Toronto time) on June 13, 2024, or if the Meeting is adjourned or postponed, not less than 48 hours, excluding Saturdays, Sundays and holidays, prior to such adjourned or postponed Meeting, whether or not they plan to virtually attend the Meeting. The deadline for the deposit of proxies may be waived or extended by the Chair of the Meeting at his or her discretion, without notice.

Registered Unitholders may vote their Voting Units in two ways:

- Vote by Proxy; or
- Attend the Meeting and vote online.

Voting by Proxy

Together with this Circular, Registered Unitholders will also be sent a form of proxy (a “**Form of Proxy**”). To be valid, proxies or instructions must be deposited at the offices of TSX Trust Company (the “**Transfer Agent**”) at 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1 or by facsimile at 416-595-9593, so as not to arrive later than 4:30 p.m. (Toronto time) on June 13, 2024. If the Meeting is postponed or adjourned, proxies or instructions to the Transfer Agent must be deposited 48 hours (excluding Saturdays, Sundays and holidays) before the time set for any reconvened meeting at which the proxy or instructions are to be used. You may also vote online by going to www.voteproxyonline.com, entering your 12-digit control number and providing your voting instructions.

The persons named in such Form of Proxy are executive officers of the REIT. **A Unitholder who wishes to appoint some other person to represent him, her or it at the Meeting may do so by inserting another person’s name in the blank space provided in the Form of Proxy or by completing another proper form of proxy. Such other person need not be a Unitholder.** Registered Unitholders who wish to appoint a third-party proxyholder to represent them at the Meeting must submit their Form of Proxy and follow the instructions set out under “Registering a Proxyholder” in order to register such proxyholder with the Transfer Agent in advance of the Meeting. Registering your proxyholder is an additional step to be completed AFTER you have submitted your Form of Proxy. Failure to register the proxyholder will result in the proxyholder not receiving a control number or username that is required to participate in and vote at the Meeting.

The Form of Proxy (or any other document appointing a proxy) must be in writing and completed and signed by a Unitholder or his or her attorney authorized in writing or, if the Unitholder is a corporation, by an officer or attorney thereof duly authorized. Persons signing as officers, attorneys, executors, administrators and trustees or similarly otherwise should so indicate and provide satisfactory evidence of such authority.

Revocation of Proxy

A Unitholder that has given a proxy may revoke the proxy or revoke or amend the voting instructions given to the proxyholder: (a) by completing and signing a proxy bearing a later date and depositing it as aforesaid; (b) by depositing an instrument in writing executed by the Unitholder or by his, her or its attorney authorized in writing confirming the revocation of the previously submitted proxy: (i) by email to tsxtrustproxyvoting@tmx.com at any time up to and including the last business day preceding the day of the applicable Meeting, or any postponement or adjournment thereof, at which the proxy is to be used, or (ii) with the Chair of the Meeting prior to the commencement of such Meeting on the day of such Meeting or any postponement or adjournment thereof; or (c) in any other manner permitted by law.

If a Unitholder who has submitted a proxy attends the Meeting via webcast, any votes cast by such Unitholder on a ballot will be counted and the submitted Form of Proxy will be revoked and disregarded.

Voting at the Meeting

A Registered Unitholder that wishes to vote his, her or its Voting Units personally at the Meeting does not need to complete and return the Form of Proxy. To vote online during the Meeting:

- Log in at <https://virtual-meetings.tsxtrust.com/1617> at least 15 minutes before the Meeting starts;
- Click on "I have a control number";
- Enter your 12-digit control number or username;
- Enter the password: "truenorth2024" (case sensitive); and
- Vote.

If you attend the Meeting, it is important that you are connected to the internet at all times during the Meeting in order to vote when balloting commences. It is your responsibility to ensure connectivity for the duration of the Meeting. You should allow ample time to log in to the Meeting online and complete the related procedures. The votes of Registered Unitholders who elect to vote at the Meeting will be taken and counted at the Meeting.

If you have any questions or require further information with regard to voting at the Meeting, please contact the Transfer Agent by telephone toll-free at 1-866-600-5869 or by email at tsxtis@tmx.com.

VOTING INFORMATION FOR NON-REGISTERED UNITHOLDERS

Information set forth in this section is very important to persons who hold Voting Units otherwise than in their own names. A Non-Registered Unitholder of the REIT who beneficially owns Voting Units, but such Voting Units are registered in the name of an intermediary (such as a securities broker, financial institution, trustee, custodian or other nominee who holds securities on behalf of the Non-Registered Unitholder or in the name of a clearing agency in which the intermediary is a participant) should note that only proxies or instructions deposited by securityholders whose names are on the records of the REIT as the Registered Unitholders of Voting Units can be recognized and acted upon at the Meeting.

Units that are listed in an account statement provided to a Non-Registered Unitholder by a broker are likely not registered in the Non-Registered Unitholder's own name on the records of the REIT and such Units are more likely registered in the name of CDS Clearing and Depository Services Inc. ("**CDS**") or its nominee.

Non-Registered Unitholders may vote their Voting Units in two ways:

- By Proxy; or
- Attend the Meeting and vote online.

Voting by Proxy

Applicable regulatory policy in Canada requires brokers and other intermediaries to seek voting instructions from Non-Registered Unitholders in advance of securityholders' meetings. Every broker or other intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Non-Registered Unitholders in order to ensure that their Voting Units are voted at the Meeting. Often, the VIF supplied to a Non-Registered Unitholder by its broker is identical to that provided to Registered Unitholders. However, its purpose is limited to instructing the registered Unitholder how to vote on behalf of the Non-Registered Unitholder. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications Solutions ("**Broadridge**"). Broadridge typically prepares a machine-readable VIF, mails those forms to the Non-Registered Unitholders and asks Non-Registered Unitholders to return the VIF to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions representing the voting of the securities to be represented at the Meeting. The VIF must be returned to Broadridge (or other intermediary) well in advance of the Meeting in order to have the Voting Units voted. **A Non-Registered Unitholder receiving a VIF cannot use that VIF to vote Voting Units directly at the Meeting.** You may also vote using the following methods:

- Online – Go to www.proxyvote.com, enter your 16-digit control number and provide your voting instructions.
- Telephone – Call the toll-free number listed on your VIF from a touch tone phone and follow the automatic voice recording instructions to vote. You will need your 16-digit control number to vote.
- Facsimile – To 905-507-7793.

Revocation of Proxy

Each broker or intermediary has its own procedures for revoking a proxy or voting instructions. Accordingly, a Non-Registered Unitholder that wishes to revoke his, her or its proxy or voting instructions should contact such broker or intermediary directly well in advance of the Meeting.

Voting at the Meeting

Although Non-Registered Unitholders may not be recognized directly at the Meeting for the purposes of voting Units registered in the name of CDS or Special Voting Units registered in the name of their broker or other intermediary, a Non-Registered Unitholder may virtually attend the Meeting as proxyholder for the Registered Unitholder and vote his, her or its own Voting Units in that capacity. **Non-Registered Unitholders who wish to virtually attend the Meeting and vote their own Voting Units as proxyholder for the Registered Unitholder should enter their own names in the blank space on the VIF provided and return the same to their broker, intermediary or agent in accordance with the instructions provided by such broker, intermediary or agent well in advance of the Meeting and follow the instructions set out under “Registering a Proxyholder” for registering themselves as a proxyholder with the Transfer Agent in advance of the Meeting.** Registering your proxyholder is an additional step to be completed **AFTER** you have submitted your Form of Proxy. Failure to register the proxyholder will result in the proxyholder not receiving a control number or username that is required to participate in and vote at the Meeting.

Non-Registered Unitholders who have appointed themselves as proxyholders and received a control number or username to join the Meeting, must follow the steps outlined below:

- Log in at <https://virtual-meetings.tsxtrust.com/1617> at least 15 minutes before the Meeting starts;
- Click on “I have a control number”;
- Enter your 12-digit control number or username;
- Enter the password: “truenorth2024” (case sensitive); and
- Vote.

If you have appointed yourself as a proxyholder to vote your Voting Units at the Meeting, it is important that you are connected to the internet at all times during the Meeting in order to vote when balloting commences. It is your responsibility to ensure connectivity for the duration of the Meeting. You should allow ample time to log in to the Meeting online and complete the related procedures.

Delivery of Proxy-Related Materials to Objecting Non-Registered Unitholders

The REIT intends to pay for intermediaries to deliver proxy-related materials and Form 54-101F7 – *Request for Voting Instructions* to “objecting non-registered owners” in accordance with NI 54-101.

REGISTERING A PROXYHOLDER

Unitholders who wish to appoint a third-party proxyholder to represent them at the Meeting, including Non-Registered Unitholders who wish to appoint themselves as proxyholder to attend and vote at the Meeting, must submit their Form of Proxy or VIF, as applicable, prior to registering a proxyholder. Registering a proxyholder is an additional step Unitholders will need to complete **AFTER** submitting a Form of Proxy or VIF. Failure to register a proxyholder will result in the proxyholder not receiving a control number or username to participate in the Meeting. To register a proxyholder, Unitholders must complete the form to request a control number found at the following website: <https://tsxtrust.com/resource/en/75> and return the form according to the instructions included on the form via email to: TSXTrustProxyVoting@tmx.com **not later than 4:30 p.m. (Toronto time) on June 13, 2024, or if the Meeting is adjourned or postponed, not less 48 hours, excluding Saturdays, Sundays and holidays, prior to such adjourned or postponed Meeting**, and provide the Transfer Agent with their proxyholder’s contact information so that the Transfer Agent may provide the proxyholder with a control number or username via email. Without a control number or username, proxyholders will not be able to participate online at the Meeting.

VOTING OF VOTING UNITS

The Voting Units represented by proxies will be voted or withheld from voting in accordance with the instructions of the Unitholder on any ballot that may be called for and, if the Unitholder specifies a choice with respect to any matter to be acted upon at the Meeting, Voting Units represented by properly executed proxies will be voted or withheld from voting accordingly. **In the absence of such specification, such Voting Units represented by the proxyholders specified by management of the REIT in the Form of Proxy will be voted at the Meeting as follows:**

- **FOR the election of Trustees for the ensuing year; and**
- **FOR the re-appointment of BDO Canada LLP, Chartered Professional Accountants, as auditors of the REIT and to authorize the Trustees to fix their remuneration.**

For more information on these matters, please see the section entitled “Matters to be Acted Upon at the Meeting” in this Circular.

The persons appointed under the Form of Proxy or VIF provided by a broker or intermediary have discretionary authority with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters that may properly come before the Meeting or any postponement or adjustment. At the time of printing this Circular, management and the Trustees are not aware of any such amendments, variations or other matters to be presented for action at the Meeting. If any other matter should properly be presented at the Meeting or any postponement or adjustment, a proxyholder will have the discretion to vote the Voting Units represented by such proxy in accordance with his or her best judgment.

	Votes For	% Votes For	Votes Withheld	% Votes Withheld
	18,375,602	99.026%	180,703	0.974%

VOTING SECURITIES

As of the Record Date, the REIT had 14,803,249 outstanding Units, each carrying the right to one vote per Unit at the Meeting, and 420,887 outstanding Special Voting Units, each carrying the right to one vote per Special Voting Unit at the Meeting. The Units are listed on the Toronto Stock Exchange (“TSX”) under the symbol “TNT.UN”.

Unless otherwise required by law or the third amended and restated declaration of trust of the REIT made as of May 11, 2021 (the “**Declaration of Trust**”), every question coming before the Meeting or any adjournment or postponement thereof shall be decided by the majority of the votes duly cast on the question. The quorum at the

Meeting or any adjournment or postponement thereof (other than an adjournment for lack of quorum) shall consist of at least two individuals present in person, each of whom is a Unitholder or a proxyholder representing a Unitholder, and who hold or represent by proxy not less than 10% of the total number of outstanding Voting Units of the REIT as at the Record Date.

PRINCIPAL HOLDERS OF VOTING UNITS

To the knowledge of the Board and management of the REIT, as of the Record Date, no person or company beneficially owned, or controlled or directed, directly or indirectly, Voting Units carrying 10% or more of the votes attached to the outstanding Voting Units of the REIT, other than entities directly or indirectly beneficially owned or controlled by Mr. Daniel Drimmer, the Chairman of the Board and CEO, (“**DD Entities**”), which owned, in aggregate, 1,601,735 Units and 144,021 Special Voting Units, representing approximately 11.47% of the outstanding Voting Units (or 10.82% of the outstanding Units and 34.22% of the outstanding Special Voting Units, respectively) as of May 3, 2024. The REIT understands Mr. Daniel Drimmer exercises voting control over all Voting Units owned by the DD Entities.

Management understands the Voting Units registered in the name of CDS & Co. are beneficially owned through various Intermediaries on behalf of their clients and other parties. The names of the beneficial owners of such Voting Units are not known to the REIT. Except as set out above, the REIT and executive officers of the REIT have no knowledge of any person or company that beneficially owns, or controls or directs, directly or indirectly, 10% or more of the outstanding Voting Units.

Starlight Appointed Trustee

The Declaration of Trust grants Starlight the exclusive right to appoint certain Trustees of the REIT based on the size of the Board, as shown in the following table:

Proportion of Voting Units Owned by Starlight (on a fully diluted basis)	Total Number of Trustees of the REIT	Number of Starlight Appointed Trustees
10% or greater	Greater than 9	3
	6 to 9	2
	Less than 6	1
less than 10%, but no less than 5%	Any	1
less than 5%	Any	0

Starlight has the right to appoint one nominee, however, Starlight has determined not to exercise such appointment rights in respect of Trustees to be elected at the Meeting, although it may exercise such appointment rights in the future. Since the REIT’s inception in 2012, Starlight has not exercised its appointment rights in respect of Trustees to be elected at its annual Unitholders meetings. The REIT and Starlight have provided an undertaking to the Ontario Securities Commission (the “**OSC**”) whereby, in the event Starlight intends to exercise the aforementioned appointment rights, Starlight will provide the REIT with prior notice of such intention and the REIT will notify the OSC and TSX upon receipt of such notice. In the event Starlight exercises its appointment rights as set out in the table above, Unitholders other than Starlight would no longer have a right to elect every Trustee at annual Unitholders meetings, and such appointment rights may make it difficult for dissident Unitholders to take actions to affect the management of the REIT.

MATTERS TO BE ACTED UPON AT THE MEETING

1. Financial Statements

The REIT's audited consolidated annual financial statements as at and for the year ended December 31, 2023, together with the auditor's report thereon (the "**financial statements**") will be tabled before the Unitholders at the Meeting for consideration by the Unitholders. The financial statements have been approved by the audit committee of the REIT (the "**Audit Committee**") and by the Trustees. Copies of the financial statements are available on the REIT's website at www.truenorthreit.com or under the REIT's SEDAR+ profile at www.sedarplus.ca.

2. Election of Trustees

The persons noted below have been nominated by management for election as Trustees at the Meeting (the "**Nominees**"). Four of the seven Nominees proposed for election as Trustees by the Unitholders at the Meeting are considered "**Independent Trustees**" (being a Trustee who is "independent" within the meaning of National Instrument 58-101 — *Disclosure of Corporate Governance Practices*) ("**NI 58-101**"). Trustees elected at the Meeting will hold office from and after the Meeting until the conclusion of the next meeting of Unitholders held to elect Trustees, unless re-elected at that meeting. In 2023, each Trustee who stood for election or re-election at the 2023 AGM received votes from at least 98% of the total votes cast.

The Board has adopted a policy that entitles each Unitholder to vote for each Nominee on an individual basis rather than for a fixed slate of Nominees. Each Nominee must be elected by the vote of a majority of the Voting Units represented in person or by proxy at the Meeting. If any Nominee receives, from the Voting Units voted at the Meeting in person or by proxy, a greater number of votes "withheld" than votes "for" his or her election as a Trustee, the Trustee will be required to immediately tender his or her resignation to the Chairman of the GC&N Committee for consideration promptly following the Meeting, to take effect upon acceptance by the Board. The GC&N Committee will promptly consider the resignation and provide a recommendation to the Board as to whether or not to accept such resignation. The Board will consider the recommendation of the GC&N Committee, among other things, and make a final decision concerning the acceptance of such resignation within 90 days of the Meeting and a press release, a copy of which must be provided to the TSX, will be issued by the REIT announcing the decision. The GC&N Committee will recommend and the Board will accept the resignation absent exceptional circumstances. If the resignation is not accepted due to exceptional circumstances, the Board will take active steps to resolve the exceptional circumstances before the next meeting of Unitholders to be held for the purpose of electing Trustees. Should the Board decide not to accept the resignation, the press release will fully state the reasons for such decision. A Trustee who tenders his or her resignation will not attend or participate in any deliberations pertaining to such resignation.

The foregoing process applies only in circumstances involving an "uncontested" election of Trustees. If any Trustee fails to immediately tender his or her resignation as contemplated above, that Trustee will not be re-nominated. Subject to any restrictions in the Declaration of Trust, where the Board accepts the resignation of a Trustee, the Board may exercise its discretion with respect to the resulting vacancy and may, without limitation, leave the resultant vacancy unfilled until the next annual meeting of Unitholders, fill the vacancy through the appointment of a new Trustee whom the Board considers to merit the confidence of the Unitholders, or call a special meeting of Unitholders to elect a new nominee to fill the vacant position.

The Nominees are to be elected by the Unitholders at each annual meeting of Unitholders to hold office for a term expiring at the close of the next annual meeting of Unitholders, or until a successor is appointed. The Nominees named below have established their eligibility and willingness to serve as Trustees and are comprised of experienced business professionals with a diverse background in real estate, management, corporate finance and corporate governance. If, prior to the Meeting, any of the listed Nominees become unable or unwilling to serve, Voting Units represented by properly executed proxies will be voted in their discretion by the persons so designated for a properly qualified substitute.

It is the intention of the persons named in the enclosed Form of Proxy for use at the Meeting (unless such authority is withheld) to vote FOR the election of the Nominees listed and described in the "Nominees for Election to the Board of Trustees" below.

Each Board member is expected to attend all meetings, with the average rate of attendance for 2023 being 100%, indicating the current Board members are fully committed to the operations and management of the REIT. As set out below, the Trustees believe the skill set currently on the Board (as well as the expected future skill set of the Board, pending the voting results of the Meeting) meets, and will continue meeting, the operational requirements of the REIT. Much of the Board's work is done through its committees, and all committee members have significant experience in their respective committee specialties. See "Corporate Governance".

Corporate Cease Trade Orders or Bankruptcies

- (b) was subject to a cease trade order (or similar order that denied the company access to any exemption under securities legislation) that was issued after the proposed Trustee ceased to be a director, trustee, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity of director, trustee, chief executive officer or chief financial officer.

No person proposed to be nominated for election as a Trustee at the Meeting is or has been, within the preceding ten years, a director, trustee, or executive officer of any company that, while that person was acting in that capacity, or within one year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Individual Bankruptcies

No person proposed to be nominated for election as a Trustee at the Meeting is or has, within the preceding ten years, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or has become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of such person.

3. Appointment of Auditor

BDO Canada LLP, Chartered Professional Accountants, located in Toronto, Ontario is currently the auditor of the REIT and has been the auditor of the REIT since March 26, 2014. The Board recommends BDO Canada LLP be re-appointed as the auditor of the REIT, to hold office until the close of the next annual meeting of Unitholders or until a successor is appointed, and the Trustees be authorized to fix BDO Canada LLP's remuneration as the auditor of the REIT.

The following table sets forth all services rendered by BDO Canada LLP for fees related to the REIT for each category of service for the financial years ended December 31, 2023 and 2022.

Fee Category	January 1, 2023 to December 31, 2023 (\$ 000s) ⁽¹⁾	January 1, 2022 to December 31, 2022 (\$ 000s) ⁽¹⁾
Audit fees	\$371	\$320
Audit-related fees	16	136
Tax fees ⁽²⁾	46	47
All other fees ⁽³⁾	nil	58
Total	<u>\$433</u>	<u>\$561</u>

(1) Excluding HST and other applicable taxes.

(2) "Tax fees" include fees paid and accrued for tax compliance and tax advisory services, including the review of tax returns and other structuring matters.

(3) "All other fees" include fees paid and accrued for all other services other than those presented in the categories of "audit fees", "audit-related fees" and "tax fees".

To be effective, the resolution approving the re-appointment of BDO Canada LLP and authorizing the Trustees to fix BDO Canada LLP's remuneration must be passed at the Meeting. The Trustees recommend Unitholders vote FOR the re-appointment of BDO Canada LLP as the auditor of the REIT and to authorize the Trustees to fix the auditor's remuneration. Unless such authority is withheld, persons named in the accompanying Form of Proxy intend to vote FOR the re-appointment of BDO Canada LLP as the auditors of the REIT and to authorize the Trustees to fix the auditor's remuneration.

Introduction

The Board believes sound governance practices are essential to achieve the best long-term interests of the REIT and the enhancement of value for all Unitholders. The Board further believes an important element of sound governance is the alignment of interests between the Trustees and Unitholders. This is achieved, in part, by encouraging investment of Trustee fees from the REIT through the incentive trust unit plan (the "**Incentive Unit Plan**") (see "Equity Compensation Plan – Incentive Unit Plan"). Effective March 2019, the Board adopted a minimum Unit ownership policy for Trustees (see "Unit Ownership Guidelines").

National Policy 58-201 – *Corporate Governance Guidelines* and NI 58-101 require Canadian reporting issuers to annually disclose their corporate governance practices. Regulatory changes to governance that have occurred, or will occur, are continually monitored by the Board and the Board has taken, or will take, appropriate action as regulatory changes occur.

The Board established the GC&N Committee which regularly reviews existing Board policies and current pronouncements on recommended "best practices" for corporate governance. The REIT recognizes that proper and effective corporate governance is a significant concern and priority for investors and other stakeholders and, accordingly, the Board has instituted a number of procedures and policies in an effort to always improve the overall governance of the REIT.

Below is a discussion on the current operation and composition of the Board. The REIT is of the opinion the Nominees for the Board consist of a diverse and qualified mix of individuals.

Board Mandate

The mandate of the Board, which it discharges directly or through the three committees of the Board (Audit AC, GC&N Committee and Investment Committee), is one of stewardship and oversight of the REIT and its business and includes responsibility for strategic planning, review of operations, disclosure and communication policies, oversight of financial and other internal controls, ESG strategy and initiatives, Trustee orientation and education, and Trustee compensation and assessment. The text of the Board’s written mandate is attached to this Circular as Appendix “A”.

Trustee Independence

The term “**Independent Trustee**” is defined in the Declaration of Trust as a trustee who, in relation to the REIT, is “independent” within the meaning of NI 58-101, as replaced or amended from time to time (including any successor rule or policy thereto). Pursuant to the Declaration of Trust, a majority of the Trustees are required to be Independent Trustees. Four of the six Nominees are independent.

The mandate of the Board provides the Independent Trustees shall hold regularly scheduled meetings, or portions of regularly scheduled meetings, at which non-Independent Trustees and members of management are not present.

On matters in which a particular Trustee may have a conflict of interest, the Board and its committees may conduct “in camera” sessions at which the particular non-Independent Trustee is not present.

Trustee Meetings without Management/Non-Independent Trustees

The Board enhances independence by conducting in-camera sessions without management and non-Independent Trustees present. These sessions take place at each regularly scheduled Board and Committee meeting and are conducted by the Lead Trustee and the Chair of the Committees, respectively.

Board Composition and Skills Matrix

The Board seeks trustees who represent a mix of backgrounds and experiences that will enhance the ability of the Board to guide the long-term strategy and ongoing business operations of the REIT. The nominees have been selected based on their ability to make a valuable contribution to the Board. The following chart illustrates the relevant skills possessed by each nominee who is proposed for election as a Trustee at the Meeting. The Board believes that this group of nominees has the mix of skills, experience and qualifications necessary for proper oversight and effective decision-making.

Lindsay Brand	X	X	X	X	X	X
Daniel Drimmer	X	X	X	X	X	X

Board Interlocks

The Board believes it is an appropriate governance practice to avoid interlocking relationships, if possible, but there is currently no formal limit on the number of interlocking board and committee memberships. The Board considers interlocking memberships on a case-by-case basis and will consider recommendations from the GC&N Committee with respect thereto. As of the date hereof, there are no interlocking board memberships among Trustees.

Conflict of Interest

The Declaration of Trust contains “conflict of interest” provisions to protect Unitholders without creating undue limitations on the REIT. As the Trustees engage in a wide range of real estate and other activities, the Declaration of Trust contains provisions, similar to those contained in the *Canada Business Corporations Act*, that require each Trustee to disclose to the REIT, at the first meeting of the Board or committee of the Board at which a proposed contract or transaction is considered, any interest in a material contract or transaction or proposed material contract or transaction with the REIT (including a material contract or transaction involving the making or disposition of any investment in real property or a joint venture agreement) or the fact that such person is a director or executive officer of, or otherwise has a material interest in, any person who is a party to a material contract or transaction or proposed material contract or transaction with the REIT. If a material contract or transaction or proposed material contract or transaction is one that in the ordinary course would not require approval by the Board, a Trustee is required to disclose in writing to the REIT, or request to have entered into the minutes of meetings of the Board or a committee thereof, the nature and extent of his or her interest immediately after the Trustee becomes aware of the contract or transaction or proposed contract or transaction. In any case, a Trustee who has made disclosure to the foregoing effect is not entitled to vote on any resolution to approve the contract or transaction unless the contract or transaction primarily relates to his or her remuneration or is for indemnity under the provisions of the Declaration of Trust or the purchase or maintenance of liability insurance.

Further, each of the following matters require the approval of a majority of the Independent Trustees:

- (a) an acquisition of a property or an investment in a property, whether by co-investment or otherwise, in which Starlight or any related party of the REIT has any direct or indirect interest, whether as owner, operator or manager;
- (b) a material change to any agreement with Starlight or a related party of the REIT or any renewal, extension or termination thereof or any increase in any fees (including any transaction fees) or distributions payable thereunder;
- (c) the entering into of, or the waiver, exercise or enforcement of any rights or remedies under, any agreement entered into by the REIT, or the making, directly or indirectly, of any co-investment, in each case with (i) any Trustee, (ii) any entity directly or indirectly controlled by any Trustee or in which any Trustee holds a significant interest, or (iii) any entity for which any Trustee acts as a director or other similar capacity;
- (d) the refinancing, increase or renewal of any indebtedness owed by or to (i) any Trustee, (ii) any entity directly or indirectly controlled by any Trustee or in which any Trustee holds a significant interest, or (iii) any entity for which any Trustee acts as a director or other similar capacity; and
- (e) decisions relating to any claims by or against one or more parties to any agreement with Starlight or any related party of the REIT.

Board Diversity

The REIT encourages diversity in the composition of the Board. The Trustees have adopted a diversity policy (the “**Diversity Policy**”) that recognizes and supports the benefits of diversity in the REIT’s Board. For the purposes of the Diversity Policy, diversity has been defined as any characteristic or quality that can be used to differentiate groups and people from one another and includes, gender, age, race, nationality, culture, language and other ethnic distinctions, education, industry experience, and expertise.

It is an objective of the Diversity Policy that diversity be considered when determining the optimal composition of the Board. In reviewing Board composition and identifying suitable candidates for Board appointment or nomination for election to the Board, candidates will be selected based on merit and against objective criteria, and due consideration will be given to diversity in identifying candidates and selecting candidates.

The REIT recognizes that gender diversity is a significant aspect of diversity and acknowledges the role that women with relevant competencies and skills can play in contributing to diversity of perspective in the boardroom.

Accordingly, in order to promote the specific objective of gender diversity, the selection process for Board nominees includes female candidates.

Currently, the Board has three female Trustees representing approximately 43% of the Board. The Board and GC&N Committee will continue to strive to increase the diversity on the Board as turnover occurs.

Gender Diversity in Executive Positions

The REIT has a unique structure which includes the provision of certain asset management, advisory and administrative services by employees of Starlight pursuant to the asset management agreement between Starlight and the REIT. As a result, the REIT has only two executive officers whose services are provided to the REIT by Starlight. The REIT has not adopted a written policy relating to the level of representation of women in executive officer positions.

If and when the executive team is required to grow or the incumbents are replaced, the REIT will follow a balanced approach in identifying the factors to be considered when determining the make-up of its executive team. These factors include experience, leadership capabilities, innovative thinking, strategic agility and diversity. As the REIT does not directly employ any persons who would be considered an executive officer, the REIT has not adopted a target regarding the number of women in executive officer positions.

Term Limits

The GC&N Committee has determined that no fixed retirement date or term of service be set for Trustees or Chairs of the Board or Committees. While there is benefit to adding new perspectives to the Board from time to time, there are also benefits to be achieved through continuity and Trustees having in-depth knowledge of each facet of the REIT's business, which necessarily takes time to develop. Pursuant to the REIT's Declaration of Trust, Trustees are to be elected (including the re-election of incumbent Trustees) at each annual meeting of the REIT, and in all cases, the term of any Trustee will expire at the close of the next annual meeting of Unitholders following such Trustee's appointment.

Position Descriptions

The position descriptions are reviewed annually by the GC&N Committee and any amendments are recommended to the Board.

Chairman of the Board

Mr. Daniel Drimmer, the Chairman of the Board is not an Independent Trustee. The Board has adopted a written position description for the Chairman of the Board which sets out his key responsibilities, including duties relating to setting Board meeting agendas, chairing Board and Unitholder meetings, Trustee development, and communicating with securityholders and regulators.

Lead Trustee

Mr. Alon Ossip, an Independent Trustee, acts as Lead Trustee. The Board has adopted a written position description for the Lead Trustee which sets out the Lead Trustee's key responsibilities, including duties relating to ensuring appropriate structures and procedures are in place to allow the Board to function independently of management, and leading the process by which the Independent Trustees seek to ensure the Board represents and protects the interests of all securityholders.

Chief Executive Officer

The primary functions of the CEO are to lead the management of the REIT's business and affairs and to lead the implementation of the resolutions and policies of the Board. The Board has developed a written position description for the CEO which sets out the CEO's key responsibilities, including duties relating to strategic planning, operational direction, Board interaction, succession planning, and communication with securityholders and regulators.

Committees of the Board

Pursuant to the Declaration of Trust, the Board has established three committees: Audit Committee; GC&N Committee; and Investment Committee. The committee descriptions are reviewed annually by the GC&N Committee and amendments are recommended to the Board for approval.

Audit Committee

The Audit Committee must consist of at least three Trustees, all of whom must be independent and financially literate, as defined in National Instrument 52-110 – *Audit Committees* (“**NI 52-110**”). The Audit Committee oversees the REIT’s quarterly and annual financial statements and other financial reporting obligations as required by applicable laws and regulations. As part of this process, the Audit Committee: (i) reviews the appropriateness of the REIT’s accounting policies and principles, including reviewing key matters relating to amendments to accounting standards impacting the REIT’s financial statements; (ii) recommends to the Board the appointment of the external auditor and its remuneration; (iii) reviews the external auditor’s audit plan and their performance, monitors the external auditor’s independence, approves non-audit services where appropriate and reviews the results of the external audit, including any internal control issues identified during the course of the audit; (iv) reviews with management the adequacy and effectiveness of applicable controls related to ESG disclosures; (v) reviews reports on the REIT’s compliance with its financial covenants set out in various documents; (vi) reviews reports on the CEO-CFO certification process to ensure it is kept current and operates effectively; (vii) reviews regular reports from management and others on the REIT’s compliance with laws and regulations having a material impact on the REIT’s financial statements; and (viii) reviews reports on tax compliance matters and legislative tax developments.

The Audit Committee reviews regular reports from management with respect to the REIT’s compliance with laws and regulations having a material impact on the REIT’s financial statements and financial condition, reviews the status of the REIT’s tax filings and assessments and those of its subsidiaries, and reviews and recommends to the Board for its approval a code of business conduct and ethics (the “**Code**”) and the process for monitoring compliance with and communication of the Code to the Trustees. The Audit Committee reviews regular reports with respect to the REIT’s compliance with all Board-level policies that manage financial risk and any corporate operating directives issued under such policies. In addition, the Audit Committee reviews and recommends proposed changes to Board level policies managing financial risk, legal risk, as well as ethical business conduct and financial reporting.

Currently, the Audit Committee consists of the following members: Sandy Poklar (Chair), Lindsay Brand and Alon Ossip. All members of the Audit Committee are independent and financially literate, as defined in NI 52-110. Starlight Appointed Trustees are not permitted to be members of the Audit Committee.

The following is a brief summary of the education and experience of each member of the Audit Committee that is relevant to the performance of his responsibilities as a member of the Audit Committee, including any education or experience that has provided the member with an understanding of the accounting principles used by the REIT to prepare its annual and quarterly consolidated financial statements.

Governance, Compensation and Nominating Committee

Currently, the GC&N Committee consists of the following members: Alon Ossip (Chair), Lindsay Brand and Lora Gernon, each of whom are Independent Trustees. The GC&N Committee is responsible for reviewing, overseeing and evaluating the governance and nominating policies, including monitoring new policies and disclosure requirements with respect to diversity, and the compensation policies of the REIT. In addition, the GC&N Committee is responsible for: (i) assessing the effectiveness of the Board, each of its committees and individual Trustee performance; (ii) overseeing the recruitment and selection of candidates as Trustees; (iii) organizing an orientation and education program for new Trustees and coordinating continuing Trustee development programs; (iv) considering and approving proposals by the Trustees to engage outside advisers on behalf of the Board as a whole or on behalf of the Independent Trustees; (v) reviewing and making recommendations to the Board concerning any change in the number of Trustees composing the Board; (vi) oversee the REIT's general strategy, policies and initiatives relating to ESG; (vii) administering the Incentive Unit Plan or any Unit purchase plan of the REIT or any other compensation incentive programs; (viii) as required, reviewing and approving the compensation paid by the REIT to the executive officers and consultants of the REIT; and (ix) reviewing and making recommendations to the Board concerning the level and nature of the compensation payable to the Trustees of the REIT.

Orientation and Continuing Education

The GC&N Committee has an orientation program for new Trustees under which a new Trustee will meet with the Chairman and members of the management team of the REIT and be provided with a comprehensive orientation program that provides a detailed overview as to the nature and operations of the REIT and its business, as to the role of the Board, its committees and its members, and as to the contribution an individual Trustee is expected to make. As part of the new Trustee's orientation and education of the REIT, he or she will be provided with the REIT's governing documents, including the Declaration of Trust, Board and committee mandates and charters, the Code, whistleblower policy, insider trading policy, disclosure policy, financial information for the REIT's most recently completed annual and interim financial periods, and the REIT's current year business plan.

Educational sessions held for the Trustees throughout the year may be conducted through stand-alone sessions or a component of a meeting of the Board. The following activities are performed by the REIT to ensure that Trustees maintain the knowledge necessary to meet their obligations as a Trustee.

The Board is currently comprised of seasoned business executives, directors and professionals who collectively possess a complementary skill set, diverse knowledge base and considerable experience, including as board members of other significant public companies. The GC&N Committee continually monitors the composition of the Board and will recommend the adoption of other Trustee development program components should it determine other components to be necessary. A library of articles and publications is also maintained on the Board's electronic portal, for their information.

Nomination and Assessment of Trustees

The GC&N Committee is responsible, subject to the right of Starlight to appoint the Starlight Appointed Trustees, to identify and nominate new candidates for Board approval. The GC&N Committee is also required, as necessary or appropriate, to establish qualifications for Trustees, and procedures for identifying possible nominees who meet these criteria. In doing so, it considers the desired competencies and skills, the appropriate size of the Board, the needs of the Board when vacancies arise, and diversity. The GC&N Committee believes nominees for the Board should possess established skill sets, in particular with respect to management, leadership, governance, financial acumen and real estate.

The GC&N Committee is also responsible for regularly assessing the effectiveness of the Board, each of its committees and individual Trustee performance. The Trustees are surveyed at least annually to form the basis of such assessment and a survey summary is independently prepared for and reviewed by the Chairman of the GC&N Committee. The assessment process involves confidential questionnaires, to be approved periodically by the GC&N Committee, and which include a review of the performance and effectiveness of the Board, each Board committee and individual Trustee performance, covering such matters as the operation of the Board and its committees, the adequacy and timeliness of the information provided to Trustees, agenda planning for Board meetings, contributions of Board and committee members, and consideration of whether any changes to the composition, structure or charter of the Board or its committees is appropriate.

Investment Committee

Pursuant to the Declaration of Trust, a majority of the members of the Investment Committee must be Independent Trustees and must have at least five years of substantial experience in the real estate industry. The Investment Committee presently consists of Daniel Drimmer (Chair), Lindsay Brand and Sandy Poklar, each of whom are Independent Trustees, other than Daniel Drimmer. Daniel Drimmer may not vote on Investment Committee decisions in instances where he is considered to be a "related party" to such transaction within the meaning of Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions* ("MI 61-101") and otherwise in compliance with the Declaration of Trust.

The Investment Committee may: (a) consider and authorize, without Board approval, proposed transactions, dispositions or borrowings where the value of the acquisition, disposition or borrowing, including the assumption or granting of any mortgage, does not exceed \$25 million; and (b) recommend to the Board whether to approve or reject proposed transactions, including where the value of such transaction exceeds \$25 million. In the event the Investment Committee approves any matter referred to in (a), it shall at all times ensure that such transaction is completed in compliance with the requirements of MI 61-101 (if applicable), applicable policies of the TSX (or such other exchange on which the REIT's securities are listed) and other applicable laws.

Ethical Business Conduct

Code of Business Conduct and Ethics

The Board has adopted a written code of business conduct and ethics, which is applicable to the Trustees and executive officers of the REIT and its subsidiaries, as well as to those directors, executive officers and employees of Starlight who have involvement with the REIT. The Code sets out the Board's expectations for the conduct of such persons in their dealings on behalf of the REIT. Those who violate the Code may face disciplinary actions, including dismissal.

The Board has established confidential reporting procedures in order to encourage individuals to raise concerns regarding matters addressed by the Code on a confidential basis free from discrimination, retaliation or harassment. If a person subject to the Code should learn of a potential or suspected violation of the Code or of any applicable laws or regulations, they are required to promptly report the violation orally or in writing and, if preferred, anonymously, as the case may be, as follows: (a) in the case of a situation that does not involve management of the REIT, to the CFO of the REIT; (b) in the case of a situation that involves management of the REIT and does not involve any member of the Audit Committee of the REIT, to the chairperson or any member of the Audit Committee; or (c) in

the case of a situation that involves management of the REIT and any member of the Audit Committee, to any Independent Trustee. If the issue or concern is related to the internal accounting controls of the REIT or any accounting or auditing matter, a person subject to the Code may report it anonymously to the Audit Committee.

In addition to the “conflict of interest” provisions contained in the Declaration of Trust as noted in this Circular, the Code provides that persons subject to the Code should not engage in any activity, practice or act which conflicts with the interests of the REIT. Trustees, executive officers and Starlight employees must not place themselves or remain in a position in which their private interests conflict with the interests of the REIT. If the REIT determines that a Starlight employee’s outside work interferes with performance or the ability to meet the requirements of the REIT, the Starlight employee may be asked to terminate the outside employment if he or she wishes to remain employed by Starlight. To protect the interests of both the Starlight employees and the REIT, any such outside work or other activity that involves potential or apparent conflict of interest may be undertaken only after disclosure to the REIT by the Starlight employee and review and approval by management. Notwithstanding the foregoing, the REIT recognizes the business relationship between the REIT and Starlight and the involvement of certain executive officers of the REIT with both the REIT and Starlight, and accordingly, the foregoing is subject to, and should be interpreted after having given effect to, such arrangements.

Pursuant to the charter of the GC&N Committee, the committee is responsible for reporting to the Board, when determined necessary by the committee, on investigations and any resolutions of complaints received under the Code, and at least annually, reports to the Board on compliance with, or material deficiencies from, the Code and recommends amendments to the Code, if any, to the Board. Each person subject to the Code is required to acknowledge they have read and understand its contents. A copy of the Code can be found on the REIT’s website at www.truenorthreit.com and on SEDAR+ at www.sedarplus.ca.

Whistleblower Policy

The REIT has adopted a whistleblower policy (the “**Whistleblower Policy**”) to enable any person to raise concerns regarding accounting, internal accounting controls or auditing matters on a confidential basis, free from discrimination, retaliation or harassment, anonymously or otherwise. Reference is also made to the Code (as described above). The Audit Committee is responsible for administering the Whistleblower Policy. Mr. Poklar, as Chairman of the AC, is the primary contact under the Whistleblower Policy. A copy of the Whistleblower Policy can be found on the REIT’s website at www.truenorthreit.com.

Disclosure Policy

The Board has adopted a disclosure policy (the “**Disclosure Policy**”) to seek to ensure communications to the public regarding the REIT are timely, factual, accurate, complete and broadly disseminated and, where necessary, filed with the regulators in accordance with applicable securities laws.

The Disclosure Policy applies to all Trustees, directors, executive officers of the REIT and its subsidiaries and all directors, executive officers and employees of Starlight who have involvement with the REIT. The Disclosure Policy covers disclosure documents filed with the Canadian securities regulators and written statements made in the REIT’s annual and quarterly reports, press releases, letters to Unitholders, presentations by executives and information contained on the REIT’s website and other electronic communications. The Disclosure Policy also applies to oral statements made in group and individual meetings and telephone conversations with members of the investment community (which includes analysts, investors, investment dealers, brokers, investment advisers and investment managers), or with employees, interviews with the media as well as speeches, industry conferences, news conferences and conference calls and dealings with the public.

The REIT’s disclosure committee, which is comprised of the REIT’s CEO and CFO, is responsible for overseeing the REIT’s disclosure controls, procedures and practices. The REIT’s disclosure committee is responsible for overseeing reasonable investigations of the REIT’s information and developments conducted on an ongoing basis for disclosure purposes, assessing such information and developments for materiality and determining if and when such material information requires public disclosure, subject to applicable law, periodic disclosure matters (such as quarterly results) and any development determined by the Board as requiring immediate public disclosure. The REIT’s disclosure committee reports to the Audit Committee on a regular basis.

The Disclosure Policy has been circulated to all persons subject to such policy and the disclosure committee endeavours to ensure all such persons are aware of the existence of the Disclosure Policy, its importance and the REIT's expectation that such persons will comply with the Disclosure Policy. The Disclosure Policy is reviewed annually by the GC&N Committee.

Environmental, Social and Governance (ESG)

The Board and management are committed to developing and implementing ESG best practices across the REIT's portfolio to driving value and returns for our stakeholders. The REIT's responsibility to its Unitholders is to invest and operate sustainably, initiate and support social programs, provide transparency and accountability, and prioritize people across its business activities. The strategy identifies the REIT's key ESG priorities, goals, actions and performance measures, and will continue to evolve over time as the REIT progresses and adapts to the changing operating and investing environments.

ESG Governance Structure and Systems

The success of the strategy relies on the commitment and oversight from the Board. The Board is responsible for the oversight of the strategy and initiatives developed by management and the asset manager of the REIT. The GC&N Committee oversees and monitors the REIT's performance against the strategy.

Pursuant to the Board of Trustees' mandate, the Board of Trustees oversees and monitors the REIT's policies and practices related to the strategy and the alignment of the strategy with the REIT's overall business objectives. The Board of Trustees is required to satisfy itself that the REIT has developed and implemented appropriate ESG standards in the conduct of its operations. At least annually, together with Starlight, the Board of Trustees reviews the REIT's ESG program reporting and verifies compliance with any applicable legal and regulatory requirements related to ESG disclosure.

Pursuant to the charter of the Audit Committee, members of the Audit Committee are required to satisfy themselves that adequate procedures and controls are in place for the review of the metrics, key performance indicators and other quantitative data included in the REIT's public disclosure relating to ESG reporting.

Pursuant to the charter of the GC&N Committee, the GC&N Committee is required to review the REIT's diversity policy at least annually and take into consideration the diversity policy when establishing qualifications for potential trustees and officers. In addition, the charter provides that the GC&N Committee is required to review, on a periodic basis, the REIT's governance practices in relation to its ESG program, including assessing and making recommendations regarding the Trustees' level of ESG education and expertise; and must review the REIT's public disclosure related to its ESG policies and practices.

Pursuant to the charter of the Investment Committee, the Investment Committee must review all proposed investments prior to approval for alignment with the REIT's ESG program and strategy.

The REIT's commitments are also aligned with the United Nations' Sustainable Development Goals ("UN SDGs"), a set of integrated goals that call on countries and industries to help end poverty, protect the planet and ensure peace and prosperity. The REIT's EST strategy contributes to the following UN SDGs:

Importance of ESG

The REIT engaged its stakeholders to determine the ESG initiatives that are most important to its Unitholders, partners and communities, and where the REIT has a significant impact. Conducting this exercise determines the most relevant ESG programs for the REIT to address. The resulting matrix is a cumulative product of extensive research, workshops, one-on-one discussions and data cross-referencing from across the REIT's industry and Starlight's employees.

Environmental Impact

- Carbon emissions and transition to zero carbon
- Resource consumption
- Low-carbon infrastructure
- Resilience
- Biodiversity
- Sustainable materials

Social Impact

- Community well-being and engagement
- Partnerships
- Inclusion, Diversity, Equity and Allyship (IDEA)

Governance

- Green building certifications
- Reporting
- Corporate governance
- Risk management
- Regulations
- Cybersecurity

This matrix has assisted the REIT to develop a strategy that embeds ESG in every aspect of its business, including operations, investment activities and trust functions, which:

- promote resource efficiency, costs, savings and minimize environmental degradation;
- increase property values, contribute to stakeholder satisfaction, and drive long-term net asset value growth for Unitholders;
- drive the appeal of the REIT's properties, helping to attract and retain tenants and build lasting collaborative relationships; and
- manage risk and comply with evolving regulations and insurance requirements while enhancing operations, management and governance practices.

ESG Initiatives and Results

The REIT has developed short and long-term initiatives and targets around ESG, including the following:

Carbon emissions	<ul style="list-style-type: none"> • Establish a Net Zero Carbon strategy and pathway by 2024 to decarbonize its portfolio • Reduce carbon emissions, energy, and water use by 2% annually or 10% by 2025 (2019 baseline) <ul style="list-style-type: none"> • Energy (L4L) -4.1% change in 2022 compared to 2021 • Carbon (L4L) -4.2% change in 2022 compared to 2021 • Water (L4L) -5.7% change in 2022 compared to 2021

Social Impact	<ul style="list-style-type: none"> • Improve/create amenities at certain properties (ie., tenant lounge, gym, café) • Engage tenants on ESG through the REIT's property managers running events and campaigns that relate to supporting the environment and/or health and wellness of tenants

The REIT understands that its actions have an impact, not only on the communities where its properties are located, but also on local and national communities and it is committed to creating a sustainable future that benefits our Unitholders, partners and investors.

Unitholder Engagement

The Board and management's communication and interaction with investors is important to the REIT. The REIT believes a transparent process for considering Unitholder inquiries should foster a trusted relationship with the investment community. All Unitholder inquiries should be directed to the Chief Financial Officer at the REIT, and Unitholder inquiries will be addressed by management in accordance with the REIT's disclosure policy. This practice ensures all Unitholder concerns are considered and responded to in a disciplined manner consistent with the REIT's

governance practices. The Board monitors the REIT's Unitholder engagement activities on a regular basis and supports effective and clear communication.

2023 Unitholder Initiatives

In 2023, our Unitholder outreach initiatives included:

- telephone calls with investors and Unitholders to address topical issues and the business of the REIT;
- virtual investor meetings and providing current presentations allowing management to effectively communicate the state of the REIT's business and manage Unitholder communications;
- provide news releases to media throughout the year to report on any material changes within the REIT;
- respond to and answer all inquiries received through our "contact us" email (ircommercial@truenorthreit.com) on the REIT's website; and
- provide a detailed presentation of our yearly activities to Unitholders at our annual unitholders meeting.

Over the next year, the REIT expects to continue to actively engage with Unitholders with a view to obtaining and responding to any feedback investors may have.

REMUNERATION OF TRUSTEES OF THE REIT

A Trustee, who is not an executive officer, or otherwise employed by Starlight, is compensated for their services through a combination of retainers and attendance fees. Trustee compensation is payable in cash and the issuance of Deferred Units (as defined below) as currently elected by each Trustee under the Incentive Unit Plan. Trustees are also eligible to be reimbursed for reasonable expenses properly incurred for attending meetings of the Board or any committee meeting.

Trustee compensation is structured to recognize Trustees for their skills, knowledge, experiences and attention in overseeing the governance of the REIT, and to align with Unitholders' interests. The GC&N Committee reviews Trustee compensation and recommends any changes to the Board to ensure that Trustee compensation is competitive. In making its recommendation, the GC&N Committee considers:

- the level of compensation required to fairly reflect the risks and responsibilities of serving as a Trustee; and
- the alignment of the interests of Trustees and Unitholders by requiring that independent Trustees meet the unit ownership guidelines established by the REIT (see "Unit Ownership Guidelines").

The table below lists the fees Trustees were entitled to receive during 2023.

Fees	Amount
Annual retainer paid to the Chairman of the Board ⁽¹⁾	\$15,000
Annual retainer of Trustees ⁽²⁾	\$35,000
Attendance fees to Trustees and committee members	\$5,000
Additional retainer paid to the Chair of the Audit Committee	\$17,500
Additional retainer paid to the Chair of the GC&N Committee Chair	\$10,000
Additional retainer paid to the Chair of the Investment Committee ⁽¹⁾	\$5,000

(1) Mr. Drimmer is a non-Independent Trustee and, therefore, did not receive any fees.

(2) Messrs. Drimmer and Liddell are non-Independent Trustees and officers of the REIT and, therefore, did not receive any fees.

Unit Ownership Guidelines

As part of the REIT's objective to align the interests of independent Trustees of the REIT with Unitholders, in March 2019, upon the recommendation of the GC&N Committee, the Board instituted a requirement that independent Trustees acquire by the third anniversary of becoming a Trustee, such number of Units (which includes class B limited partnership units in the capital of True North Commercial Limited Partnership ("**Class B LP Units**")) having a value equal to four (4) times his or her annual base retainer. Currently, the independent Trustees meet or exceed this requirement.

On January 7, 2022, upon recommendation of the GC&N Committee, it was approved by the Board that Deferred Units be considered as part of the Unit ownership requirements.

The following table sets out information concerning the 2023 compensation earned by, paid to, or awarded to each Trustee who is not a Named Executive Officer (as defined below).

(4) Unit-Based Awards include the issuance of Deferred Units and Restricted Units under the Incentive Unit Plan. Deferred Units vest immediately at the time of grant but are settled in Units only after termination of service with the REIT. The value of the Deferred Units granted in 2023 was determined, in respect of each Deferred Unit grant, by multiplying the number of such Deferred Units issued to the Trustees by the five-day volume weighted average price of Units on the TSX for the five trading days before the applicable date of issuance. All amounts include Deferred Units and Restricted Units awarded for monthly distribution equivalents based on the total number of Deferred Units and Restricted Units held by a Trustee on the applicable record date. For details on the Incentive Unit Plan see page 37.

REMUNERATION OF MANAGEMENT OF THE REIT

Overview

As at the date hereof, the REIT does not directly employ any persons. The services of Mr. Daniel Drimmer as CEO and Mr. Martin Liddell as CFO are provided to the REIT by Starlight. Other than equity incentive compensation, no compensation is paid by the REIT or its subsidiaries to those persons provided by Starlight as executive officers of the REIT (including Messrs. Drimmer and Liddell), and the compensation received by such persons from Starlight is not within or subject to the discretion of the Board although the Board may make recommendations to Starlight. The compensation paid by the REIT to Starlight for services rendered is calculated in accordance with the Asset Management Agreement (see “Arrangements with Starlight – Asset Management Agreement”).

Compensation Discussion and Analysis

The executive officers of the REIT named in the “Summary Compensation Table” below, namely Messrs. Drimmer and Liddell are the beneficial owner and executive officers of Starlight, respectively. In addition to Mr. Liddell’s duties as CFO of the REIT, Mr. Liddell is the CFO of Starlight, which responsibilities are specifically allowed for, and agreed to, by the Board and acknowledged by the REIT. The REIT is obligated to pay Starlight certain amounts pursuant to terms of the Asset Management Agreement, as discussed in “Arrangements with Starlight – Asset Management Agreement”. As such, any variability in compensation paid by Starlight to persons determined to be named executive officers of the REIT pursuant to applicable securities laws (the “**Named Executive Officers**”) will not impact the REIT’s financial obligations.

The REIT is under no obligation to retain the services of the management provided by Starlight. The Board has the sole discretion to hire executive officers and employees, but such hiring, if not of Starlight employees, would be at the sole expense of the REIT.

The following discussion is intended to describe the compensation of the Named Executive Officers and supplements the more detailed information concerning executive compensation that appears in the tables and the accompanying narrative that follows.

Principal Elements of Compensation

The compensation of the Named Executive Officers includes three principal elements: (i) base salary, (ii) annual cash bonus, and (iii) long-term equity incentives, consisting of Restricted Units granted under the Incentive Unit Plan. As a private company, Starlight's process for determining executive compensation has no specific formula for determining the weighting or amount of compensation, and no formal approach is applied when applying compensation to the objectives of the REIT. Notwithstanding the foregoing, Starlight has implemented an executive compensation program to attract, retain and motivate highly qualified executive officers. Objectives and performance measures may vary from year to year as determined to be appropriate by Starlight.

The Named Executive Officers do not benefit from medium term incentives or pension plan participation. Perquisites and personal benefits are not a significant element of compensation of the Named Executive Officers.

The three principal elements of compensation are described below.

Base salaries. Base salaries are intended to provide an appropriate level of fixed compensation that will assist in employee retention and recruitment. Base salaries are determined on an individual basis, taking into consideration the past, current and potential contribution to the success of the REIT, the position and responsibilities of the Named Executive Officers and competitive industry pay practices for other real estate investment trusts and corporations of comparable size. Starlight has not engaged compensation consultants for the purposes of performing benchmarking or applying specific criteria for the selection of comparable real estate businesses. Increases in base salary are at the sole discretion of Starlight but it considers the goals of the executive compensation program described above. The Board may review the compensation payable to its executive officers by Starlight, and is entitled to provide recommendations to Starlight, which must be considered in good faith but are not binding upon Starlight.

Annual cash bonuses. Annual cash bonuses are discretionary and are not awarded pursuant to a formal incentive plan. Annual cash bonuses are awarded based on qualitative and quantitative performance standards, and reward performance of the REIT or the Named Executive Officer individually. The determination of the performance of the REIT may vary from year to year depending on economic conditions and conditions in the real estate industry, and may be based on measures such as Unit trading performance, the meeting of financial targets against budget, the meeting of acquisition objectives and balance sheet management. The Board may review the bonuses payable to its executive officers by Starlight, and is entitled to provide recommendations to Starlight, which must be considered in good faith but are not binding upon Starlight.

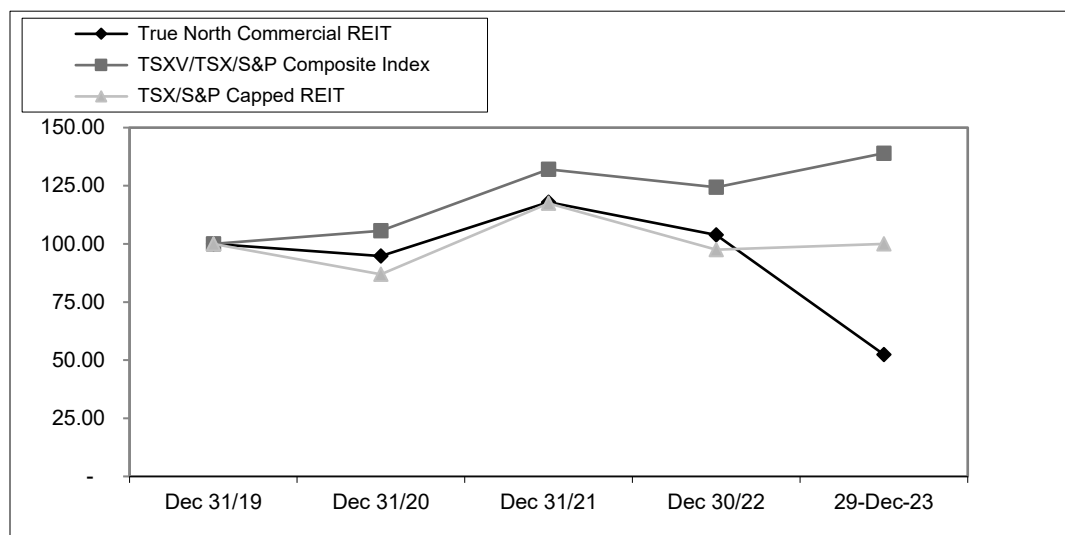

Individual performance factors vary and may include completion of specific projects or transactions and the execution of day-to-day management responsibilities.

Restricted Units. Grants of Restricted Units (as defined below) by the REIT under the Incentive Unit Plan align the interests of the Named Executive Officers more closely with the interests of Unitholders because they are tied to the REIT's financial and Unit trading performance and certain vesting requirements. The Board, acting on the recommendation of the GC&N Committee, may designate individuals eligible to receive grants of Restricted Units. In determining grants of Restricted Units, an individual's performance and contributions to the REIT's success, relative position, tenure and past grants are taken into consideration. For a description of the material terms of the Incentive Unit Plan, see "Equity Compensation Plan Information – Incentive Unit Plan."

Named Executive Officers and Trustees are not permitted to purchase financial instruments including prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by such Named Executive Officers and Trustees.

Performance Graph

On December 19, 2012, the REIT was listed and commenced trading on the TSX Venture Exchange (“**TSXV**”). Upon graduation to the TSX on June 18, 2013, the REIT was de-listed and ceased trading on the TSXV and commenced trading on the TSX. The following graph compares the yearly percentage change in the total cumulative Unitholder return for \$100 invested in Units against the cumulative total return of the TSXV/TSX/S&P Composite Index and the TSX/S&P Capped REIT index for the period from December 30, 2017 to December 30, 2023.

	Dec 31/19	Dec 31/20	Dec 31/21	Dec 30/22	29-Dec-23
True North Commercial REIT	100.00	94.71	117.94	103.87	52.41
TSXV/TSX/S&P Composite Index	100.00	105.60	132.10	124.38	139.00
TSX/S&P Capped REIT	100.00	86.91	117.44	97.45	100.00

The compensation paid to the Named Executive Officers by Starlight is not based upon the market price of Units or the total return to Unitholders. See “Remuneration of Management of the REIT – Compensation Discussion and Analysis”.

The following discussion is intended to supplement the information concerning executive compensation that appears in the table that follows. EQUITY COMPENSATION PLAN INFORMATION

Overview

The following table sets out as at December 31, 2023 the number of Units to be issued upon the exercise of outstanding Deferred Units and Restricted Units and the number of Units remaining available for future issuance under the Incentive Unit Plan:

Plan Category	Number of Units to be Issued Upon Exercise of Outstanding Deferred Units and Restricted Units (a)	Number of Units Remaining Available for Future Issuance Under Equity Compensation Plans (Excluding Units Reflected in Column (a)) (b)
Equity Compensation Plans Approved by Unitholders	39,088	406,142

The annual burn rate of the equity incentive plans (as expressed as a percentage based on the number of Deferred Units (as defined below) and Restricted Units (as defined below) under the Incentive Unit Plan granted during the applicable fiscal year divided by the weighted average number of issued and outstanding Units and Class B LP

Units for the applicable fiscal year) was 0.2% for the fiscal year 2023, 0.1% for the fiscal year 2022 and 0.1% for the fiscal year 2021.

Incentive Unit Plan

The purpose of the Incentive Unit Plan is to promote greater alignment of interests between the trustees and officers of the REIT, or directors of any subsidiary, certain employees of any Service Provider (as described in the Incentive Unit Plan) of the REIT or any Subsidiary (collectively, the “**Participants**”) and the Unitholders.

The Incentive Unit Plan replaces the REIT’s amended and restated 2013 unit option plan (the “**Option Plan**”) and non-executive trustee unit issuance plan (the “**Issuance Plan**”). The Issuance Plan has been terminated and the Option Plan has been suspended and no further options will be granted and all options have vested or expired in accordance with the Option Plan.

There are two types of issuances under the Incentive Unit Plan: (i) Deferred Units; and (ii) Restricted Units (collectively with the Deferred Units, (the “**Incentive Units**”).

Deferred Units

In addition to any portion of each Trustee’s annual retainer paid by the REIT to a non-executive Trustee in a calendar year for service on the Board and committees of the Board, including any chairman retainers and attendance fees throughout the year (the “**Annual Board Retainer**”) that the Board determines will be paid in Deferred Units, each of the non-executive Trustees may elect, irrevocably for any calendar year and only in advance, to receive all or a portion of such Trustee’s remaining Annual Board Retainer as Deferred Units (a percentage equal to 0%, 25%, 50%, 75% or 100%).

Restricted Units

Discretionary grants of Restricted Units may be made to eligible persons, subject to such restrictions (i.e., vesting requirements) as the Board may impose.

Distributions

An Incentive Unit account will be maintained by the REIT for each Participant, and when cash distributions are paid on Units, additional Incentive Units will be credited to each Participant’s account. The number of such additional Incentive Units for each Participant will be calculated by dividing: (i) the amount (determined by multiplying the number of Incentive Units in such Participant’s Incentive Unit account on the record date for the payment of such distribution by the distribution paid per Unit) by (ii) the market value of a Unit on the distribution payment date for such distribution, in each case, with fractions computed to four decimal places.

Vesting

Subject to certain other provisions, the Board or the GC&N Committee may designate, at the time of grant of Incentive Units, the date or dates on which all or a portion of the Incentive Units shall vest. Deferred Units granted to Trustees as a portion of their Annual Board Retainer vest immediately. For Restricted Units, no vesting condition may extend beyond November 30 of the third calendar year following the service year in respect of which the Restricted Units were granted. In the event of a change of control, any unvested Incentive Units shall vest upon the earlier of: (a) the next applicable vesting date in respect of any Incentive Units which were to vest on such date; or (b) the date which is immediately prior to the date upon which the change of control is completed. The Board has discretion, at any time, to accelerate vesting of Incentive Units.

Departure Before Vesting

The Incentive Units credited to a Participant shall, subject to the provisions of the Incentive Unit Plan, vest immediately and be redeemable by the Participant (or, where the Participant has died, his or her estate) following an event causing the Participant to no longer be an eligible person under the Incentive Unit Plan, including termination other than for cause, retirement or death.

Where the Participant has been: (i) terminated for cause or without cause, or (ii) voluntarily resigns from his or her position with the REIT (not including retirement in the case of officers or employees of the REIT, or any subsidiary, or the service provider, without good reason), any Restricted Units shall be immediately forfeited and cancelled without any payment or other compensation.

Payment Upon Vesting

Restricted Units must be redeemed and paid out by December 31 of the year in which the Restricted Units have vested. The Board may choose to settle the Restricted Units by issuing Units from the REIT's treasury or in cash. Deferred Units must be settled through the issuance of Units from the REIT's treasury.

Maximum Allocation

Subject to adjustment for any subdivision, consolidation or distribution of Units as contemplated by the Incentive Unit Plan:

- (a) the maximum number of Units made available for issuance from treasury pursuant to the Incentive Units credited under the Incentive Unit Plan shall not exceed 486,957 Units;
- (b) the aggregate number of Units issuable from treasury to any one Participant under the Incentive Unit Plan and all other security-based compensation arrangements of the REIT shall not exceed five percent (5%) of the total issued and outstanding Units and Class B LP Units;
- (c) the aggregate number of Units issuable from treasury to insiders of the REIT under the Incentive Unit Plan and all other security-based compensation arrangements of the REIT at any time shall not exceed ten percent (10%) of the total issued and outstanding Units and Class B LP Units;
- (d) during any one-year period, the aggregate number of Units issued from treasury to insiders of the REIT under the Incentive Unit Plan and all other security-based compensation arrangements of the REIT shall not exceed ten percent (10%) of the total issued and outstanding Units and Class B LP Units; and
- (e) the aggregate number of Units issuable to non-executive Trustees of the REIT under the Incentive Unit Plan shall be limited to one percent (1%) of the total issued and outstanding Units and Class B LP Units and the total annual grant to any one non-executive Trustee of the REIT who is not an officer or employee of the REIT, within any one-year period, pursuant to the Incentive Unit Plan and all other security-based compensation arrangements of the REIT shall not exceed a specified maximum grant value.

If any Incentive Unit granted under the Incentive Unit Plan shall expire, terminate or be cancelled for any reason without being paid out or settled in the form of Units issued from treasury, any unissued Units to which such Incentive Units relate shall be available for the purposes of the granting of further Incentive Units pursuant to the Incentive Unit Plan.

Amendments

The Board may review and confirm the terms of the Incentive Unit Plan from time to time and may, subject to applicable stock exchange rules and processes set out in the REIT's Declaration of Trust and the Incentive Unit Plan, make certain amendments to the Incentive Unit Plan without Unitholder approval. Without limitation, the Board may, without obtaining the approval of Unitholders, make changes: (a) to the vesting provisions of the Incentive Unit Plan or any incentive units granted thereunder; (b) make any amendment of a housekeeping nature; and (c) any other amendment that under the rules of the TSX, does not require Unitholder approval, provided that such amendments shall not materially adversely affect the rights of any participant under any incentive units previously granted. Pursuant to the Incentive Trust Plan, the Board is intended to be provided with the broadest scope of amendment powers permitted by the rules of the TSX.

In March of 2023 the Incentive Unit Plan was amended to clarify that section 10.1 and 10.2 be amended to specify that termination for cause and without cause shall be treated the same and each be dealt with pursuant to the terms of sections 10.2(a) and 10.2(b) (the "**Amendment**"). Given the 2023 Amendment may potentially be deemed to materially adversely affect the rights of the participants of the Incentive Unit Plan, the REIT has obtained written consents to the amendments from all such participants pursuant to the terms of section 14.1. Accordingly, Unitholder approval was not required to be obtained for either Amendment.

As at December 31, 2023, 20,601 Deferred Units (including Deferred Units awarded for monthly distributions) and 18,487 Restricted Units (including Restricted Units awarded for monthly distributions) have been granted under the Incentive Unit Plan. 11,353 of the Deferred Units have been paid out or distributed and 30,374 Restricted Units have been paid out or cancelled.

The Board of Trustees may delegate to any committee of the Board as specified by the Board of Trustees or to any officer or employee of the REIT such administrative duties or powers as it may deem advisable.
